“ *Bro Farmer would say : "I'll sing 'I Am Blessed' if sister Linda will help me". He would smile that crooked smile and blush. He was a sweetheart. He always had kind things to say and always encouraging others in their walk with the Lord.*

“ Bubba this is the hardest thing I've went thru in a very long time.i always thought that we would be doing everything together and now we are doing it for you and it's so hard to do things for you when doing things with you was so much more fun.

I know your hugging all of our loved ones up there and y'all are rejoicing so much and I know it's me being selfish but I want to have y'all back.

Please if you've got to meet up with my baby boy Jammie Don tell him momma and daddy and brother miss him and love him

Give our precious momma a big o hug for me and Jane Lois Pauline Mary lee ollie a special hug just for me.

I don't know how I'm gonna do this thing called life with you.i keep expexting texts and calls from you every time my phone goes off.

Sad to say I won't get any more but some day we will get to sing together again and do thing and go places together again.but for now it hurts so much.

I love you Ronnie and you'll always be in my every single day thoughts.

Enjoy our loved ones cause some day I'll get to walk them streets of gold with you all.

I love you.

Your little baby sister
