“ We are never prepared to lose a loved one, but we know Roy will be working to prepare a place for each of those he loved. We so enjoyed visiting with both Roy and Frankie They are still both very special to us. You are all in our prayers. Wish we could be there in person. Know we are in spirit.

“ Frankie and family, I am so sorry for your loss. Wish I could be there with you and your family during this time. The Memorial Video was really a great tribute to Roy and Frankie. Thanks for sharing the wonderful memories. I loved to hear him play the mandolin and enjoyed the time I was there at the house when they had everyone gather for a bluegrass pickin. He was a loving and caring husband, father and a good friend to many. With heartfelt sympathies. Kathy Evans Richard, Daughter of Glenn and Nina Evans.
