“ *Capt. Wood was one of the first people I met when hired at the Ft Smith PD in 1999. He made me and the other rookie's feel welcome. He was a pleasure to be around and always made me feel at ease. After his retirement, anytime we saw each other he would always speak to me just as he did on my first day.....with kindness. My thoughts and prayers are with the family. -Lt. Jeff Carter, Criminal Investigations Division.*

“ Captain Wood was a patrol captain when I started at the Fort Smith Police Department in 1999. I remember as a rookie officer, he was very warm, approachable and carried himself professionally. It was a pleasure serving with him and he set the example of what "leadership" is. We will see you again Captain! Captain Daniel Grubbs, Patrol Special Operations.
