“ Sarah Kate was such a amazing little girl at her young age of four I had the opportunity of being her teacher and she had a very fun-loving spirit. I will always cherish the memories of time spent with her. God has another angel.

“ *Sarah Kate and her pink guitar, Pinky! I will forever remember her joy as she strummed and sang her song. Blessings to you, sweet girl and I know there is a classic rock band in heaven who just gained a guitarist!*
