“ *I am so thankful I got to see you recently. My heart is broken I can't believe your gone. I will forever hold our childhood memories close to my heart even though all us cousins would get in trouble we still had a lot of fun.. I smile a little imagining your meeting with your brother Tony your dad Uncle Evan and grandma and grandpa. I know you men are sitting on a bank poles in the water and catching up. RIP in time we will all be meeting again. I love you Scotty. Love and peace*
