“ *Sharon was one of the finest ladies that I have ever known. I considered her my dearest friend. She was there for me at many rough times of my years here at Brown's Printing. She was always just stopping in to say Hello and she had the greatest and warmest smiles. I loved her just like a sister. I will miss her forever. She will never be forgotten.*

Love and Miss you greatly. Kathy

Sharon was my older sister. We had a lot in common especially in high school. We both did vocational studies and both competed in VICA. She was a wonderful sister and a great lady. Love and miss you Sharon. Kemp

Sharon, I'll never forget your kindness and sweet smile. Like you, I wish we could have been together when we were kids. I still have the heart shaped mirror that you gave me along with the letters you wrote. I will always cherish them. I will love you forever until we meet again. Cathey
