“ Sharyl you will be missed by so many. I watched her work tirelessly for ATU Ozark campus. She always had the answers you needed. RIP Sharyl. Your work is done on this old earth. See you on the other side. Dianne

“ We have way to many great memories for me to narrow down to just one. I will miss laughing with you until we lost our breath. I will miss you calling me "dork" and calling you "brat". Me asking you how you feel and your smart aleck "with my hands" you got me every time! So many great memories and i can't help wishing we had more time to make more but I know you are at peace, no more pain and singing with Jesus and the angels while you hold Edmond's hand. I can see you both grinning from ear to ear. I love and miss you. Meet you at the river someday. ❤️

I will forever regret not getting to see you again. I have such good memories. Coming to Oklahoma and Staying with Grandma Dora Cook. We would go to see Lois and away. You were a sweet little girl. Then we went to see Flossy. That was when I met my cousin Tamana. I am so sorry I didn't see you again. Your sweet memory will never leave me.
