“ *Love that picture of my sweet, sweet Mama. She taught me so much sharing her knowledge of canning, sewing, and nursing. Not going to share all the personal experiences since I want to keep those to myself. But I want to thank everyone who has sent me messages telling me how much she meant to them, how sweet and nice she was, and how she was their favourite nurse. Thank you to everyone who shared their thoughts and remembrances.*

*I spent half my life at your house in the playhouse. My mom would never make divinity (something about the humidity) but your mom made the world's best ! She was a lovely caring woman and maybe that's why I became an LPN also. Praying for you and your family 🙏🥹*
