“ *Every time I saw Shirley, she would always say "Well hi Cuz!" I spent a lot of my childhood at her Mother and Dad's home playing with Tuffy and Fluffy! I know she and the rest of the girls would always have a good time together shopping or just hanging out together and if you knew the Franklin girls, it was a chatter house when they would get together!!! I know she will be missed by her family and friends. My prayers will be with all of you. Love you all!*
