“ Ron and I would like to send our condolences to the families of Shirley Schaffer. Shirley and I graduated high school together in 1962 and have kept in touch ever since. She was a very dear friend. She loved her husband, her two daughters, grandchildren and extended family. Shirley was just a good woman. She fought hard trying to get rid of her cancer. She was so excited when she was able to finish two quilts from their dad's shirts and give to her daughters. Shirley will be missed here on Earth, but Heaven received an Angel. I will always cherish your friendship.
