“ *Mrs. Uselton was my kindergarten teacher almost 20 years ago. She was one of my favorite teachers and she always had a smile on her face as she greeted us everyday. My most favorite memory of her was hopscotching on our way to the cafeteria to eat lunch. It was a pleasure to have known her and the world will miss her. Peace, prayers and blessings. “ I have so many wonderful memories of time spent with Ms. Shirley, we spent hours talking about everything sometimes we cried but mostly we laughed. I didn't mater what we were doing, shopping, eating, going to a special event we laughed. Shirley had a way about her that made the sun shine even in the rain. I love you Shirley.

“ I have some fond childhood memories of my cousin Shirley and her brother. To her husband whom I have never met, I am sure you will miss her and I am just as sure that you are at peace with her home going as she is no longer suffering and in pain.
My sister, Susie, has kept me updated on you and Shirley and my thoughts and prayers are with you. May God give you comfort and help you to adjust to the loss of your dear wife.

To her brother Scottie, May God give you comfort and peace as you adjust to the loss of your sister and I know that you will miss her.

I am sorry for your loss and will be praying for God to help you both through this difficult time and I know He will. My deepest condolences.

“ *She was my Kindergarten Teacher. She new me and I new her very well... I have still many memories of her....But one memory that will always stick with me is with her counting down when we was supposed to take a nap as I was one of those that refused.. She always had a name notepad. And if she finished your name, you got detention... You will be missed Ms Uselton.... Thank you for EVERYTHING you have done..*
