“ *I enjoyed spending time with Stacy "Bubba" talking pigeons. Enjoyed flying in their club until health slowed me down. He enjoyed watching his birds fly, whether on a race or around the loft. Prayers for the family.*

“ Met Stacy over 20 years ago, we were both Viet-Nam Veterans. It was my pleasure to help Stacy obtain his V.A. disability. We shared the joy of raising and flying Homing Pigeons. I really enjoyed my time with Stacey. Met his sweet wife Alice, mother, sister and his father and some of his brothers and his children. My sister and Alice would see each other on occasion. They were in related fields of teaching children. My deepest condolences go out to all his family. Even my cousins [the Bill Young family from Altus] was very fond of Stacy when they knew him as a teacher. I was just 3 months older than Stacy. My family was a farm family from Denning. I know their pain of loss for I have lost three brothers. May their faith help them through this very difficult time of loss. Stacy will be very missed. LOVE TO YOU ALL, Charles Huckleby-Van Buren
