“ His love for God and his precious family was visible in his sweet smile. As a child attending church with both Steve and David was a beautiful blessing, they allowed Gods spirit to flow through them. I know that the boys are happy reunited in Heaven with our precious Onie . We will keep Oliver Jim and Terry as well as their families and the church in our hearts and prayers. My favorite memory is of him singing, especially I'll Fly Away.

“ I will always remember Steve and his wonderful smile and contagious laugh. I worked at FCLC for 24 years and always loved seeing Steve each day. So happy he and David are together again!!!!

“ When I first met Steve years ago he asked me to write my name down on a piece of paper so he could keep it in his pocket next to his heart and never forget it. That sentiment won him a place in my heart because I know he sincerely meant it. He was one of the kindest souls I ever met.

“ I loved having Steven in my Sunday School class and was always glad to see him when he was able to come. I loved that contagious smile and friendly "Hi, Suella" everywhere I saw him; even across a store. I enjoyed listening to him sing in church also. I never heard Steven complain about anything; what a guy! I missed him since he was no longer able to attend church. I know that David and he are together again; thrilled to see each other and Mom in Heaven.
