“ I remember meeting her at the truck stop and instantly we were friends. Her wit & personality is one like no other. Next thing I knew she was my next door neighbor. I've seen her in bad & good times. And her the same for me. She'll be a friend I'll never forget. No matter how long it had been since I'd seen her we picked where we left off. She was one of a kind for sure. Always loved & will be forever missed. Rest in peace my friend.

“ I wish to tell the family how much my heart is hurting for them. We are thinking of you constantly and hope that you are able to find peace in your time of need.

I will miss you, Susie. Susie was probably my most trusted friend, cousin, and confidant. She offered compassion and understanding at some of my greatest times of need. Susie never asked for much other than honesty, loyalty, and a little understanding for herself. If I could only hold one memory in my heart of my "Hockey", it would be that loud boisterous laugh and that wide unmistakable smile, just like the picture here.

Keep Darlene, Nettie Faye, & Grandma company till we all get there.

Always in my heart until I see you again, my cousin,

Love Lee Green
