“ *It seems like I have known you all my life. We were Sisters for a long time and I still think of you as my Sister. We had so much fun working together and hanging out together. I know we didn't get to see each other for a long time, and that I regret, we get caught up in life and time fly's by. I will always miss you, and your always in my Thoughts. I love you and I will see you again someday. My Prayers go out to your family 🙏 Debbie McCartney Morris💜*

“ *We were neighbors on the mountain when her family lived there. So very sorry for this loss. We watched these kids grow up into beautiful adults. She will be missed. Our love and sympathy to the family and her friends. You will be in our prayers.*

*Girl the Pizza Hut days...we had some good laughs. I will have to say the most talked about memory we shared was getting you to the hospital when you were in labor with Taylor..Having Mike come get me out of the hall and into the delivery room!! We sure had alot of good times,long talks and visits. Rest now and keep watch over your family and friends.*
