“ *Oh Thomas how your Aunt Rosetta loves you! I remember well the first time I meet you. Uncle Jeff warned me that he was your number 1 and you might not accept me at first and to give you some time. Lol Of course I agreed without hesitation, but to everyone's shock you were telling him to get his hands off your aunt Rosetta. I loved you then and I love you now!!! I will miss you until I see you again*

“ *RIP Thomas, you will forever be remembered by all who had the opportunity of meeting or knowing you, what a great spirit you always had about the good the bad and the ugly, it could all be dealt with no matter what it was and it would be ok. Will forever cherish our childhood memories.
