“ I feel so honored to have known Tommy, such a wonderful, kind and loving man, the best you could ever know. I was his and Jeanie's housekeeper for quite awhile, but they NEVER treated me like "just a housekeeper" I was always treated like family. If I had to choose parents other than my own I would choose Tommy and Jeanie Duerr. After I had to quit housekeeping for them because of health reasons I went for a visit because I missed them so bad, Tommy and Jeanie both dropped everything to visit with me. This is a big deal when you own and run a ranch or farm, I will never forget how special they have always made me feel. Will miss him so much!
