“ I wanted to tell you how much Tula's friendship meant to me when I first moved to Arkansas. I remember making a trip with Thula to Hugo Ok to see some of her family and we had a lot of fun as you always did any time you did anything with Thula. I was sitting on the square with Thula when I first met my husband in June of 1973. Well, five months later on Nov. 23 Thula was my Maid of Honor at our wedding. I know we had lost touch through out the years, but Thula always came to my mind often. I will always cherish the memories I have of Thula and she will live in my heart forever. I am truly sorry I did not learn she had passed away until yesterday. My deepest sympathy to all of you during this time. My God bless and comfort you.
