“ *Dearest Lalaina, I want you to know that I wish I had been there for Travis' memorial service. I hadn't checked my e-mail for a couple of days and was unaware. John had talked to Regan that day and she told him she was at his memorial service and I saw the message the next day. I would have liked to be there for any support I could offer. I know I don't see you often, but I consider you a friend. Would you contact me and maybe we could go to lunch. Love you and my prayers are with you and your family.*
