“ Neal, am so very sorry for the loss of your precious son, Tyler. It seemed like yesterday that Monty and I were at Bob Rogers buying our truck. I remember you showing us pictures of him and just talking about that kid. You were just beaming. Monty and I talked about What a great Dad you were on our drive home, and honey, when my old man said that, that was high praise, coming from him. He was such a great Dad himself. I know he is with our Lord, that we will see our loved ones again. Neal I love you, care deeply about you. You and your family continue to be in my prayers. Peggy

“ Neal and Tammy and family,
We are so terribly sorry to hear about Tyler. There are no words we can say to make you feel better. Just know that we have been praying so hard for you and we will continue. We were out of town when we heard this news. We immediately began praying. If we can help you in any way, please let us know.
Neal, I just visited with you not long ago at the Chevy place about your boys. You filled me in on both of them, with such pride in your voice as you spoke of them. And recently, I've heard so many others speak so highly of Tyler and also Ben. You have every right to feel proud of them!
We can't imagine what you are going through. But We know that The Bible says God will give you peace that surpasses all understanding. This is what our prayer is for you.

“ Tina, JC, and family,
We can't begin to understand what you are going through. We were out of town when we heard and we have been praying since then. We are still praying for God to guide you through this tragedy. Tina, we didn't know Tyler. However, we have heard wonderful things about him and also Ben. This is a testament to you as their mother. You raised some good boys!
JC, we can remember when you married Tina. The boys were young and you bonded with them. It wasn't long and they became all you talked about! Everytime we saw you, you were talking about them and were so proud of them. We know you loved them as your own.
We are so very sorry for your loss. If we can do anything for you all, please know that we are here. We will keep you in our prayers.

“ Neal what a beautiful couple of Sons ?? . The pictures you captured are some of the Most amazing, beautiful moments. I never got to know your boys but I have known you since you were old enough to come outside and play with the rest of the Hood ?? What beautiful boys you and Tina share as two wonderful parents. John Charles and Tammy and their children made for a beautiful well rounded, best of the best life a child could possibly dream of. I have grieved and cried for you all these past days and I know my friend of so many more to come. What Love showed in every picture you shared with us...What a Class Act from Son, Brother, Boyfriend and Friend, Grandson, Cousin to all who knew him...you did good job Dad and Tammy , Mom and J.C. Many, many prayers for Ben...so much Love. I will be thinking of you and praying for you today and all the days ahead with Love...Always Shelly ??🙏😘

“ So incredibly sorry for your loss. Ty was such an incredible person that could light up a room without even trying. His personality was captivating and made you feel like you'd known him your entire life. It saddens me that I was not able to spend much time with him over the years but I am glad that he's finally without pain and in a much better place now. I know there are no words that can make the pain you're feeling go away, but please know that your whole family is in my prayers not only these next two days but also the days and months after because thats when it really sets in. Ty will always be watching over you and standing by your side wherever you go. Thinking of you all.

“ Tina, I came by visitation to see you and was amazed at the huge number of people there to offer their condolences. That alone is a testament to how loved Ty was. There are no words I could say that will help lessen your loss. Your child is a part of you that will never be filled again. After watching the video I could see that Ty put more living in his 21 years than some people do with many more. Let the people around you help you through these coming days, weeks, months and years. Never doubt your faith that God is always with you.
