“ *Charlotte and I desire to extend our deepest sympathy to the family of such a wonderful lady. I do not remember the first day that Mrs. Oakes walked into the office at Ozark Animal Hospital but she quickly became a great friend and wonderful client. As I looked back into the files, her first visit was 11-22-2008 bringing PATCHES in for a check up because he was sick. He weighed 3.6# and his weight grew very quickly because as Mrs. Oakes would say: " when he comes to the table I cannot resist those eyes because I know he is hungry so I will give him to food from the table". (LOL). After several conversations, I realized I was not going to win the battle even after using some food to reduce weight. She would say "He is always so hungry". Otherwise, she took fantastic care of him. We will always cherish her very contagious smile and wonderful enthusiasm that she exhibited every time we saw her. We will dearly miss her but we know based on her belief and life that she is with our Lord and Savior Jesus Christ. May HE comfort you as a family during the time of personal loss in your life.*

With our deepest sympathy: David & Charlotte Holt
