“ *I'm so sorry to hear of the passing of Clydene, I set behind her in church and I always loved to hear her sing her solos. She was a sweet lady. God bless and comfort her family during this time.*

“ *I feel very sad to read of the death of Clydene. I remember her as a small curly headed little girl playing with the same children my little siblings played with. I have missed her columns in The Spectator and her posts on Facebook and was concerned about her health. My deepest sympathy to her brother and other family and to her friends as well. I'm sure she will be deeply missed. Rest in peace, Clydene.*
