“ I'm so sorry to hear about grandma!! She was such a loving person! She had a wonderful love for God that was inspriring! She could play the piano like a pro! I have many memories of her playing it. I had the joy of knowing her for a few years but there was always memories made! He accepted me as her own and for that I'll be forever grateful! I love you grandma!

“ I'm so very sorry for your loss. Sister Donna was such a sweet lady and was such a big influence on me. She treated me like one of her own and never seemed to mind always having me under foot when I was growing up. I have so many fond memories of her. Her love for Jesus was an inspiration and I am a better person for having known her. My walk with God is stronger for having had her in my life. Much love to you all.
