“ Walter as Kim would call him and I never really knew who she was talking about until LIKE the middle of the story cuz .. he was always punkin. The dude who would tell me a joke or a lie or both and then put his freaking eyeball in his mouth and I was and still am...freaked the hell out! But OMG.... Bo and I learned sooo much about how to live with the Hillbillies. ....he is and will ALWAYS BE a honest real man, father he loved his kids ...and Man Kim. The story she told me about when they got together is perfect to describe this man. I will not repeat it but there is a full length window and a naked body involved. ( With respect Kim....I hope you don't mind this story) God Bless always to all of you guys ....know that we had lots and lots of endearing moments with this CRAZY loving crazy man.

“ I'll always have fond memories of Punkin from our trips on the bus to ballgames and school activities. He was a hoot and he was a big presence when he entered a room. Rest in peace with our Lord! Prayers for your family.
