“ *Wanda was one of the special people that I have had an honor to get to be friends with. She had one of the kindest souls I have ever know. I was honored to be a friend and to get to serve on the Denning Town Council with her. I have always looked up to her as a mentor and an example of who I should be. We spent many a days even after she left the Council talking about how everyone in the Denning was doing, what was going on in Denning and sharing memories from both her life and my own. She truly was one of the people you never forget once you have known them. I will always remember how special a person she is. May you rest in peace my friend.*
