“ I was the Baby girl of the 4. Well I best can say he was the most loving dad to me that i never had. When i was 6 years old , I became a member of the Nicest Church Family called "The Church of Christ" on 504 N 18th st, and fell in love with everyone of them . But I always wanted to stay at the Bice's . And a lot more of the family's but I always went back to the Bice's. Mom and Dad treated me just like there own blood and to a child who was pull up from a family because of things that happen. Dad always had a garden that was so good.evern after i got grown and had kids I always found time to go see them. I love them even if he Did tell me he was going to cut the end of my table off and I would tell him that moma wouldn't let him :)
