“Everybody's favorite son, brother, cousin
Your departure comes too soon.
You were more like a brother to me than a
cousin. Good looking smile, confident, hard
worker, wise & intelligent. Bill had it all! Looks
& brains! I always looked up to you!!!

My first memory of you I must have been 5 & you 15, you were
spinning a salad bowl on your finger as if it was a basketball. No
body was cooler!

My last memory other than my wedding, you came to church with
me & let me pray for you before dropping you off at your home. You
told me I was one of the wisest men you knew & it humbled me as
I'd spent my whole life looking towards you! Bill had more heart than
I could ever dream of & I never knew him to turn away someone in
need.

We/I love you BOSS!!!! gone but never forgotten..
