“ I have known Bill since I was 19 years old. He will always be my brother-in-law. I have lots of great memories of him. Bill was like a second dad to my son, Bobby. I will always be grateful for that. He was always there to help me, when I needed it. He missed Rosemary so much and I am glad he is with her again, but those of us who are left behind will miss him. He was a good man. Jeannie Hall
