“ So sorry Delores. We heard about Winston today. We still remember and talk about you two and George and Diane chasing us toward Magnolia the night we married - 62 years ago last September 10. So many fond memories are in our minds from our days at Dumas Memorial. You two and both of your parents are a part of memories. We give thanks for the love you and Winston shared and our resurrection faith. - David and Carolyn Wilson

“ I will always remember Winston carving the ham at Mamaw's on Thanksgiving and Christmas (and eating on it and the hot water cornbread before the rest of us!) He was a hoot! Much love to all of you!
