“ We've known Zach for years, not as well as we knew the rest of the family as he had already moved out, but Elaine and Heather were constantly talking about him and his family. Our prayers go out to the entire family, hoping they find comfort and strength in the coming days. Sending love to all!! Kareen & David

“ *Words can never express how we feel about the sudden & tragic loss of Zach...To his kids: just know that he loved y'all. To his wife: I'm certain he loved you without a shadow of a doubt. To his family: I know y'all weren't prepared for this (no one was, especially y'all). To the mom of his kids: girl we know this hurts you because now your kids are without their dad. Y'all may have fought like cats & dogs, but you truly loved him for years. And that kinda love can't just disappear. Each of you are in our thoughts & prayers... We wish we could be there, but sadly we won't be able to make it. Give those kids hugs for us please*
